

Number formation

Number formation songs

(Sing to the tune of 'Twinkle, Twinkle Little Star.')

- 0 To the left and back around, number zero I have found.
- 1 A downward stroke, that was fun, now I've made the number one.
- 2 Half a heart says "I love you," add a line, now I've made a two.
- 3 Half a curl, repeat with me, now I've made the number three.
- 4 Down, across and down once more, now I've made the number four.
- 5 Draw the hat, the back, and tum, now my number five is done.
- 6 To the left and curl it round, number six has now been found.
- 7 Straight across, down to the left, number seven is the best.
- 8 Make an 'S' and close the gate, now I've made the number eight.
- 9 Make an oval and a line, now I've made the number nine.
