Costed in Objective 1</p>	<p>All year groups have participated in these fitness tests throughout the year and data has been produced. All children have enjoyed the challenge and benefitted from the exercise that was an addition to their normal PE provision. The tests were well administered by two professional coaches from Fit4schools and provided additional roles of responsibility for some of the children in year 4, 5 and 6. Data was gathered accurately and has been collated for viewing through an interactive portal. This can be accessed by school, pupils and parents. This provision has continued to show positive results in children's understanding of fitness. The children are increasingly aware of the concept of 'Personal Best' and</p>

		<p>are becoming more competitive and focused in these fitness sessions. The Fit4 Schools tracking data shows substantial improvement over this year in pupils' fitness levels. The school is keen to continue to embed the Fit4Schools programme in PE at Whitnash and continue this work in 2018-19.</p> <p>Also there has been increased participation in locally organised competitions (SSP).
