Dear Parents /Carers,

Despite being a short week with a Teaching INSET day on Monday, it has been a busy week in school!

The teacher training on Monday focused on the whole-staff and our governors reflecting on the progress the school has made, where we are in our development plan and looking forward and planning for 2018-19. It was a real opportunity for us to analyse our key areas of strength, but more crucially, to assess where the focus for further improvement should be in the next academic year. What was extremely clear from the day was the staff and governors commitment, enthusiasm and eagerness to continue to drive our school forward. As a school, we want all parents to know that we are planning ahead to continually ensure we are doing the very best we can for your children.

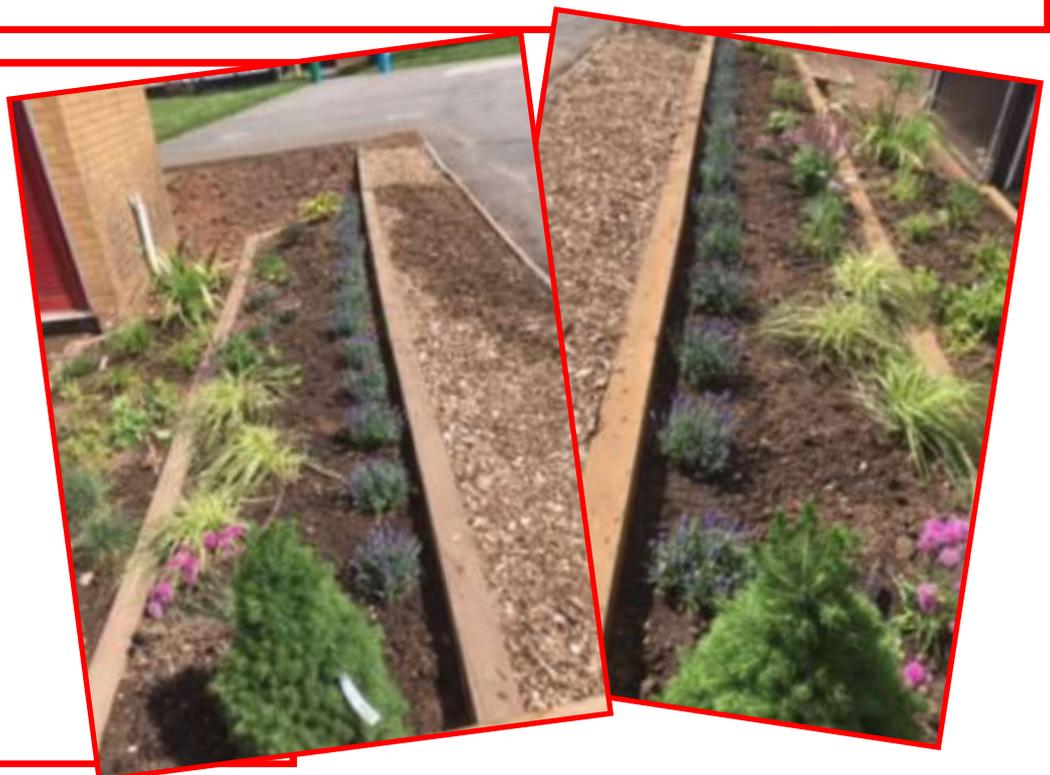

The children were welcomed back to school this week with a surprise development in the rear playground. During the holiday Mrs Gougeon, Mr Johnson and I worked on the tiered garden at the back of the school. We were keen for the plants to be planted so that this garden could flourish during the summer months. We were incredibly lucky that Wyevale Garden Centre in Rugby were so keen to help us. The centre donated £414.00 to our garden to enable us to fill the borders with a beautiful range of plants for our children to enjoy and care for. We couldn't believe their generosity and we are incredibly grateful of their support. We have spoken to children this week about showing their appreciation for this lovely space, by caring for it, helping to weed and water it and generally being respectful of our school environment.

I want to thank Mrs Gougeon for her tireless dedication to our school. To complete a large garden project like this, in order to improve our school environment, involves a lot of time, thought and commitment. We often therefore need willing volunteers and special people who are willing to go over and above to support us. We are so lucky to have parents in school that regularly do this, either through the PTA, volunteering in school to support readers and learning, gardening or supporting us with clubs and projects such as this one. Mrs Gougeon is someone who is always keen, to not only help, but drive projects and developments forward for our school. We are extremely grateful!

Year 6 have worked with Explore Learning today. Explore Learning have been working with various year groups this year to run one-off learning workshops to support key topic learning in school. These sessions are greatly enjoyed by our children and we are keen to continue to work with Explore Learning throughout the next academic year.

Wishing you all a fabulous weekend.

Mrs Ellison,
Headteacher

This Week's Achievements

Holly- Evan-Thomas Stanford

You have come back with such a positive attitude to your learning and attempted all tasks with real determination and persistence. You have been really kind to others and have participated in the carpet sessions with such enthusiasm sharing some really interesting facts. Well done Evan. We are proud of you.

Hazel - Hargobind Dhesi

Hari has been working really hard on his writing this term and has made great improvements with his work.

Hawthorn - Arunjeet Kalsi

Arun is always doing the right thing. He listens, thinks carefully and always tries his best.

Pine - Alana Horley

For trying really hard with her phonics this week. Well done Alana!

Maple - Johua Neal

For quiet focused work

Juniper - Bani Deol

For always working hard in school and for trying her best in everything she does. She always has a smile on her face which is infectious. Well done Bani!

Ash - Alireza Kazemi

For being a superstar in every subject.

Oak - Charlie Marshall

For working really hard in year 6 and trying your best. Keep it up!

Book of The Week

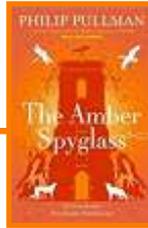

Every week we shall be recommending a 'book of the week' for each Key Stage.

KS1 - Little House in the Big Woods

Inside the little house live the Ingalls family: Ma, Pa, Mary, Laura and baby Carrie. Outside the little log house are the big woods with their wild animals - bears, bees, deer and wolves - but in spite of the dangers that lurk outside, within the little house, family life goes on.

KS2 - The Amber Spyglass

Will and Lyra, whose fates are bound together by powers beyond their own worlds, have been violently separated. But they must find each other, for ahead of them lies the greatest war that has ever been - and a journey to a dark place from which no one has ever returned...

Year 1 - Explore Learning
