Dear Parents /Carers,

Our school has been incredibly lucky again this week to have been blessed with the support from our friends in Jaguar Land Rover. If you walk past the Forest School area at the back of the school you will see the result of the hard work from a generous team of volunteers. In just one day, Mr Johnson and a team of ten, were able to transform this area by pruning, clearing, planting and painting. We are so grateful to have willing hands to help our school. Thank you to the team and Mr Johnson for all they have done for us!

We are really looking forward to working with another team of Jaguar Land Rover volunteers on Wednesday 27th September. This team of amazing people will be helping us transform and develop the area at the back of the school where the bushes have been removed. I have sent a letter out this evening with a request for donations of shrubs to add to the tiered garden we are aiming to create. Every bit of help is greatly appreciated.

Over the last two weeks children have been participating in the sports provision and PE lessons offered by Fit4Schools. It has been great to see the children engaging in this provision so well and really enjoying their PE. Alongside this provision for the children, the Fit4Schools team have been sharing their expertise with our teachers so that the quality of what we offer as a school relating to all aspects of PE continues to improve into the future.

I have met with Heidi Saunders today to finalise our plans for curriculum linked Forest School opportunities through this academic year. We are looking forward to embedding this wonderfully rich and important outdoor provision into the heart of children's learning. Information regarding this provision will be sent to the relevant classes half-termly.

I want to thank all the parents who gave their time to attend a PTA meeting this week. It was fantastic to see so many volunteers. We are really looking forward to working with you all and the exciting events that have been planned for our children and families this year.

Wishing you all a lovely weekend. Mrs Ellison, Headteacher

**Harvest Assembly**  
**Friday 29th September 2017**  
**9.00am**

The children will be taking part in a Harvest Assembly. All children are rehearsing some Harvest related songs in preparation. We ask that donations can be made for our local Food Bank.

Please bring any donated food items in by  
**Wednesday 27th September 2017.**

**Swimming—Year 4**

**Starting Wednesday 27th September 2017**

We are excited to say that we will now be starting our Swimming lessons again.

Year 4 will be the first group to go.

If you wish to use breakfast club please arrived before 8:15am so that the staff have time to get the children fed before the start of the school day. The numbers in breakfast club have increased significantly and the managing of late arrivals can be a challenge.

### A Library card for Every Child in Warwickshire

Warwickshire Libraries offer all children in their Reception year at school the chance to collect stickers as they borrow books from the library. Those that make 4 separate visits will receive a free jute "I love my library" goody bag designed for this age group, which includes a specially produced first book of puzzles and reading information.

Do encourage your child to join the library if he or she has not already done so (or mislaid the card!). This can be done in the library or online at [www.warwickshire.gov.uk/jointhelibrary](http://www.warwickshire.gov.uk/jointhelibrary)

With full membership, you can: use any Warwickshire library; borrow ten books, and three e-books free of charge;

Membership of the library and all parts of the goody bag scheme are free. Books can be renewed in the library or online or by telephone, and a reminder system can be set up by email to alert you to when book loan dates are coming up.

Do check your nearest library at: [www.warwickshire.gov.uk/libraries](http://www.warwickshire.gov.uk/libraries)
